# RESULTS

## 103

As part of the third intellectual output, a Virtual Meeting Place was created in addition to the training package and methodology. This network is a special place for project stakeholders to share knowledge, experience and questions related to coworking.

**[VIRTUAL MEETING PLACE - CLICK HERE](#)**

Also as part of this outcome, teaching notes for each module were created and several useful tools, resources and materials related to social impact on coworking spaces were listed.

## FINAL TRANSNATIONAL PROJECT MEETING IN Odense, Denmark 20th-21st

### MULTIPLIER EVENTS

Every partner celebrates a Final Dissemination Event in order to present the project achievements and experience, including the Intellectual Outputs produced. If you are interested on them, check the websites of our partners to know the date in your country.

### PARTNERS

The partners met partly online and partly face-to-face in Odense, Denmark, to take stock of the final activities to be carried out before the end of the two-year implementation period. It was a challenging but very fruitful meeting.
